

Senior League 2020

Hello Senior League Members,

First of all, we would like to say that we hope each of you and your families are staying healthy during this pandemic. We are sending this letter in order to gauge how many league members would like to participate in league play during May.

At this moment, golf courses are restricted to tee times every 15 minutes, twosomes only, and no rental of gas carts unless the golfer has a physical disability or physical limitation that does not allow them to walk. During the month of May, we would like to offer tee times from 6am-11am on Tuesdays and Wednesdays for league members. If this is of interest, please contact the pro shop at 708-857-2433 or email Andy Dudczyk at adudczyk@olparks.com.

League registration would occur as normal: \$30 to enter and fill out registration form. We would calculate handicaps during the month of May and would offer “contactless” weekly games in order to minimize league members from having to touch proximity markers on the golf course. If you would like to begin playing in May, please let us know and we will schedule your tee times. We hope to be operating on a more “normal” basis in June and will keep everyone informed as we receive updates. Stay healthy!

Provisional League Details:

The league will start May 12th & May 13th and will run through September 29th & 30th. The league luncheon will be September 29th & 30th.

League Rates:	9 holes walking	\$15
	9 holes with cart	\$21
	18 holes walking	\$18
	18 holes with cart	\$25

The \$30 league fee will provide the following:

- 9-hole golf handicap
- Coupon book
- Prizes and luncheon
- 10% off regular price on any eligible pro shop merchandise
